5. แล้วเลือก Off

Cloud Smart App Control

Enhanced protection from untrusted apps.

On

If Smart App Control spots a malicious or untrusted app it will block it to help protect your device.

Evaluation

While Smart App Control is in Evaluation mode, it will learn if it can help protect you without getting in your way too much. If so, it will automatically be turned on. Otherwise, it will automatically be turned off.

Off

If Smart App Control is off it can't be turned on without reinstalling Windows.
